DEDICATION

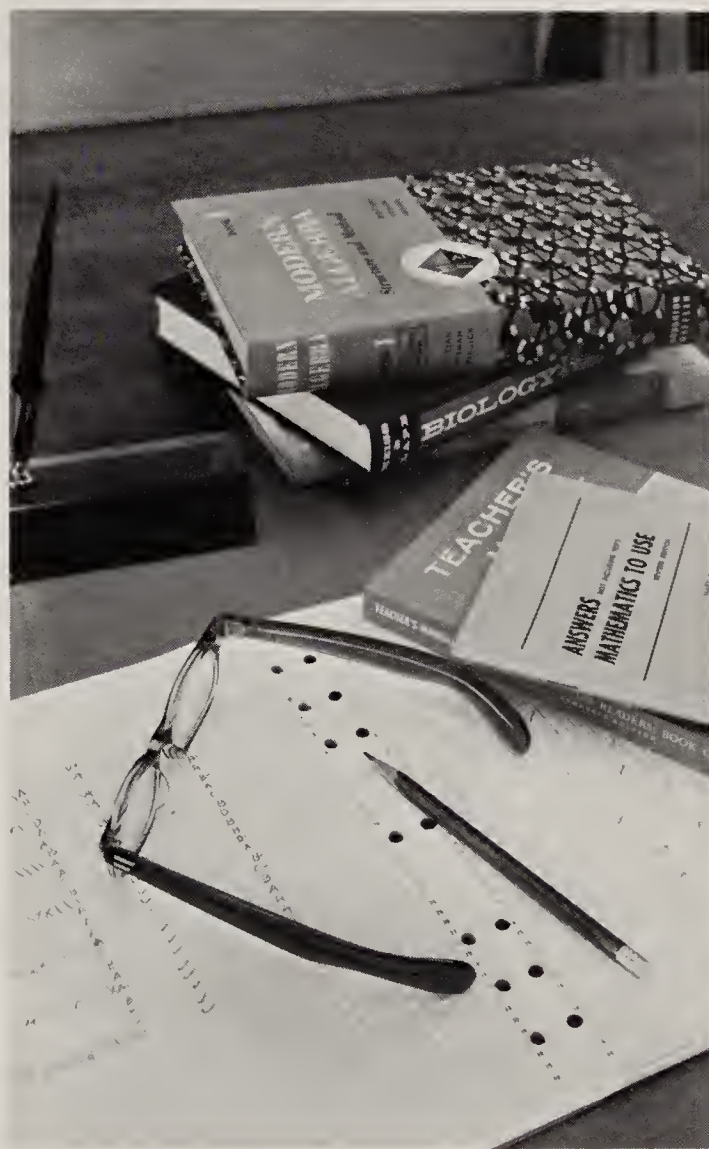

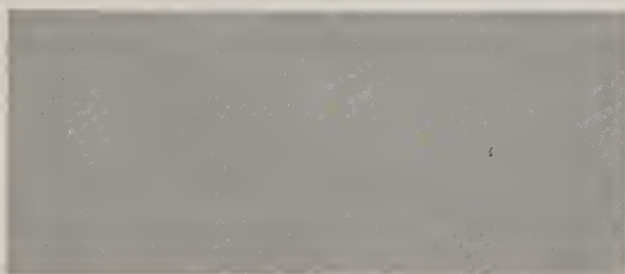

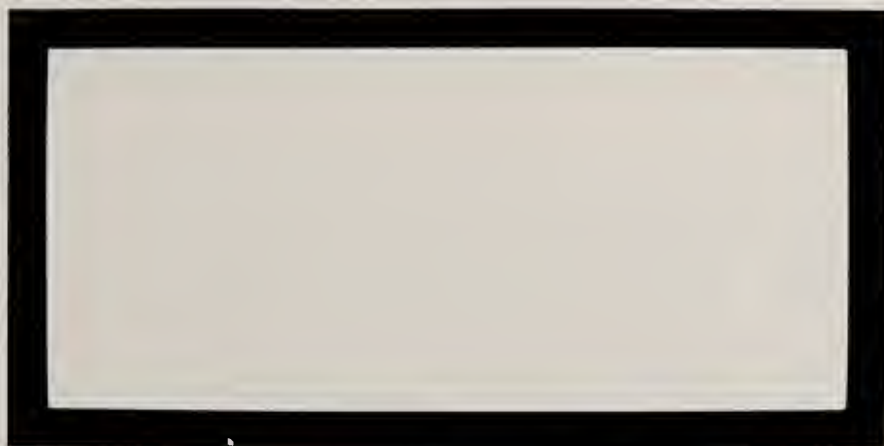

In grateful appreciation, we, the class of '68, dedicate this book to you, Mr. Lee.

To Our Seniors:

I wish to Congratulate you on your achievements for the past twelve years. Soon you will be beginning a life of which you will be the original designer. It is my hope that your design will leave such an imprint on society that it will be said "Yes, I know them; they were in the Woodan, graduating class of 1968." Jack Lee - Principal

This year the FFA participated in a number of activities. Starting in September the poultry team won the State Poultry Judging contest. This win gave the team the right to judge in the National contest in Kansas City.

Our next activity was the annual FFA-FHA dance. This event was held in February. Our chapter also participated in a spring judging contest with several teams; judging on the district level.

The year was finished with the annual parents and son banquet.

Woodlan's Influence in Germany

Four members of Woodlan High School plus our language department teacher, who acted as chaperon, left on July fourth from New York for an exciting six weeks in Europe. The first half of their trip was spent in Duesseldorf, Germany, and the second half was spent in Seefeld, Austria. Although their main objective was to study German every morning in their schools, they also took many afternoon excursions and weekend trips. Those from Woodlan privileged to take this excursion are Joan Delagrange, Mary Ann Kammeyer, Jackie Meyer, Carol Nahrwold, and chaperon, Miss Steiglitz.

Arrival to Woodlan

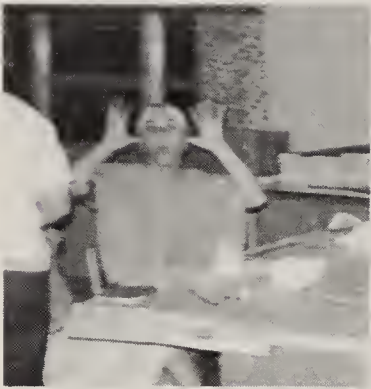

Martina has school spirit.

Martina Hanfland, a German exchange student, studied at Woodlan this year. Living with Cindy Miller, she attempted to find out the American way of life. She received a class ring from the class of '68 and an American flag from the school. Martina presented the school with books of German arts.

Linda Pepe, Mrs. Wetter, Loretta Horman.

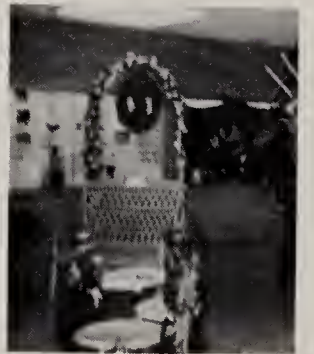

The Co-Editors, with the help and supervision of Mrs. Wetter, designed the 1967-'68 yearbook. Their jobs co-ordinate with the efforts of the photographer, copy-writers, advertising sales, and the thousand and one details necessary to compile the yearbook. The copy-writers, Barb Fisher, Linda Gilbert, Rhonda Stopher, Rae Lynne Hormann, and Kay Delagrange have worked hard identifying pictures and drawing layouts. Monte Gerig, Cathy Hamm, and Carol Nahrwold, the business managers, were given the task of arranging for the financing of the yearbook. They are responsible for supervising the selling of yearbook advertisements and sale of yearbooks.
